Our curriculum

Throughout this year, we have been redesigning and shaping our curriculum so that at St. Thomas' we have designed our own learning journey within each subject such as history, geography and science whilst ensuring that there are links and progression between all of the learning that takes place. On our website, you can now take a look at our whole school curriculum overview for each year group for each subject. Take a look via this link:

Football sponsors

This afternoon, Mr Crutchley and Mr Turner are taking a group of 8 St. Thomas' footballers to a Wolverhampton schools' football competition. We have realised that we are in desperate need of a new St. Thomas' football kit and a general sports kit as during the Summer term we will be taking part in a number of competitive sporting events with our other MAT schools. We are seeking a local business who would be interesting in sponsoring our school team and providing us with a new school sports kits so that we can look proud and smart throughout the Summer term when we visit other schools and take part in events. If you know of a business who would be willing to support us please speak to Mrs Jones at the school gate.

School photograph day

Advance notice that Tempest will be visiting us on Monday 20th June to take our individual, sibling and whole class photographs.

Phonics resources

Thank you to all of our parents and carers who joined us this week for our Reception phonics workshops. All of the resources mentioned are now on our school website, including the video of our children modelling the sounds. You can find this page using the following link: [Phonics - St Thomas CE Academy](#)
