Music appreciation

This term, children at St. Thomas' have been taking part in weekly 'music appreciation' led by Mrs Callaghan. Each week, we have a different musical genre to focus on—so far this term we have explored pop music, rock and this week we have listened to a range of classical music. Our aim is for children to listen and respond to music they may be hearing for the first time. Children seem

enthusiastic about this so far—we hope that children are coming home and talking about this at home too! This afternoon, our KS2 classes have all shared their musical performances from 'music fortnight' to other classes—it has been wonderful! Look out for a couple of videos on Twitter.
